

Miami County Amateur Radio Club

Weekly Sunday Net Preamble

Attention all stations. This is <name>, <call sign>, Net Control for the Miami County Amateur Radio Club weekly 2-meter Net. This Net meets every Sunday evening at 8:00 p.m.

The purpose of this net is to promote fellowship with area hams, to inform members of upcoming club activities, and to focus on the skills of net discipline and Net Control Operations.

This is a directed Operations Net. Please do not transmit unless asked to do so by Net Control.

Stations with EMERGENCY and PRIORITY communications may interrupt at any time, and will be immediately acknowledged.

Non-members are welcome to participate.

(Ask for any stations with announcements or give announcements)

The following format will be followed for tonight's net. Echolink stations will be given the opportunity to check in first, followed by all other stations.

(Announce Question/Theme of the week)

Any Echolink stations call now. **(It takes 5-10 seconds for Echolink stations to respond).**

Stations whose call sign suffix begins with _____ through _____, call now.

ALPHA through FOXTROT

(Pause for check-ins. Acknowledge the stations that have checked-in before going on to the next group).

GOLF through LIMA

MIKE through SIERRA

TANGO through ZULU

(Go back through list of call signs, starting at the top, and discuss question/topic of the week).

Any stations wanting to check in to the Miami Co. Weekly Net that missed the initial check-in, call now.

(Wait for late check-ins to respond)

We will now begin the 73 round.

Go back through list of call signs, starting at the top, and ask for any final comments.

We want to thank all who participated tonight. For more information on club activities join the Miami County Amateur Radio Club Facebook group.

Until next week, this is <call sign> closing the Miami County Amateur Radio Club net at <time>.
